The maps below show the route to The Palace from Chichester Railway Station.

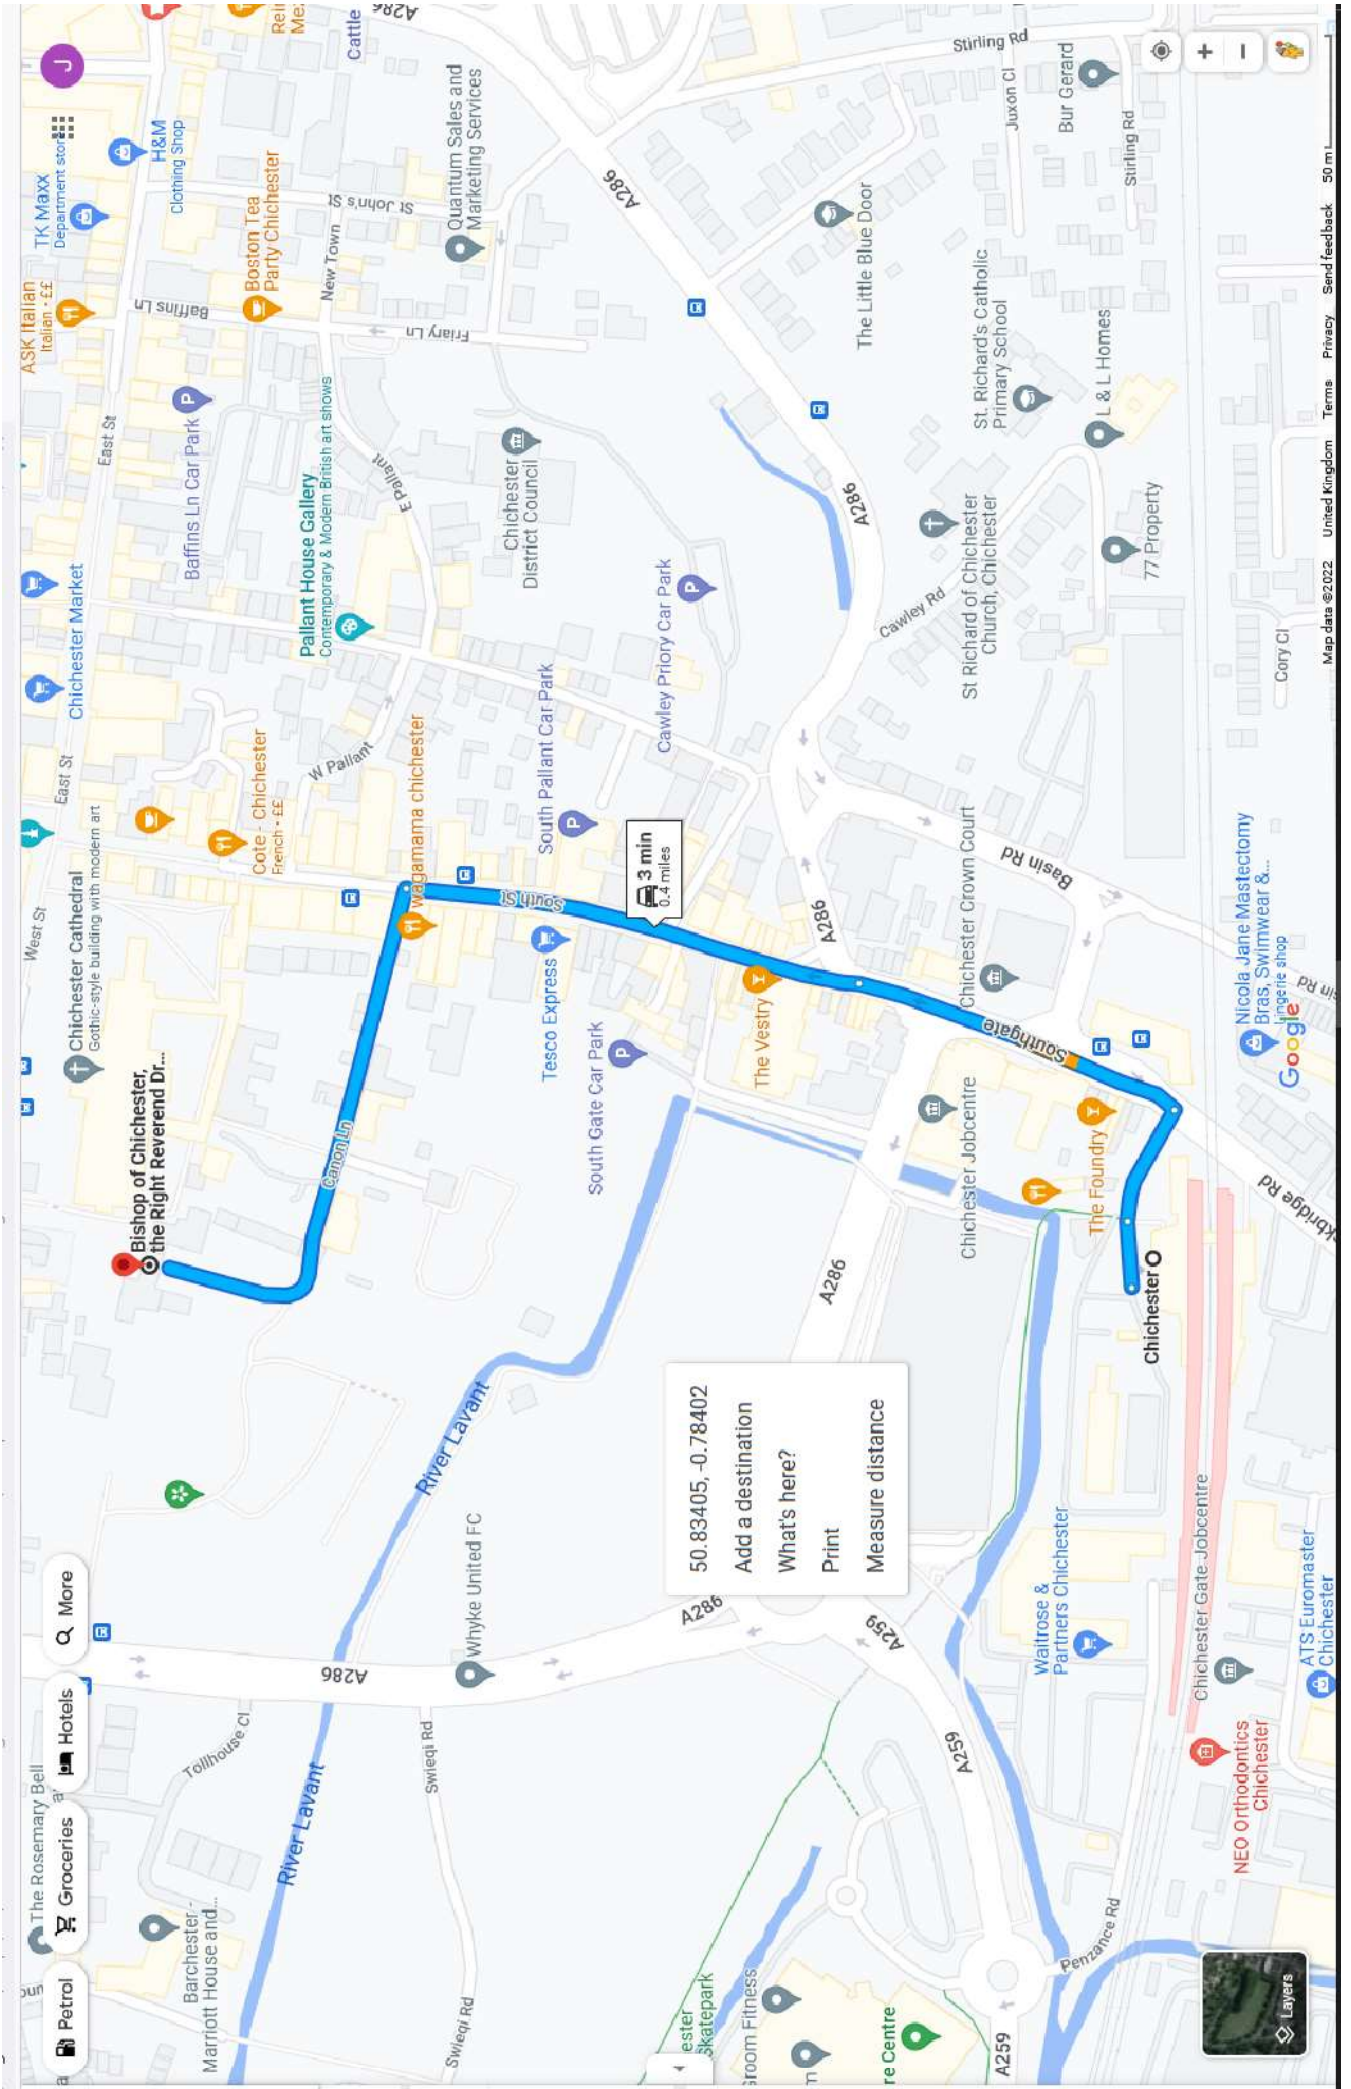

Drive into South Street, (a no through road, used for access and deliveries only) On the left you will see a narrow stone arched gateway. Drive through this arch and follow the road straight until you see the next arch. Drive through the arch, follow the driveway round to the right and park to unload or pick up.

The arches are narrow and low and will not accommodate a large van.

It is very important that we comply with the requests of the Palace staff, so;

PLEASE DO NOT

- Drive or Park on the grass
- Do not park in the area closest to the building
- Do not leave your car parked here for longer than 10 minutes unless you are a Steward
- Please park in alternative car parks if attending the Private view or the exhibition for any other reason
